

FIRE THREATENS TREASURY HOUSE AT WASHINGTON

Firemen Battle Stubborn Blaze Early Today On Roof of Building.

LOSS IS ONLY \$75,000.00

President and Wife Look On As Hose Crews Work To Check Damage.

(By the Associated Press)

WASHINGTON, May 3.—For the second time in three months, firemen early today battled with a stubborn blaze on the roof of the treasury department which for a time assumed threatening proportions as the flames burst through a long superstructure, leaping high into the air and casting their glow on the White House itself, while sparks were wafted across to the surrounding buildings.

When discovered about 1:45 a. m. the flames already had gained considerable headway and were soaring to a height of 30 or 40 feet when fire apparatus, responding to fire alarms, arrived at the scene. Gaining impetus about that time from a dull, rumbling explosion, which firemen believed was caused by building materials stored for use in work of raising the roof of the structure, the blaze cast a bright glow on the night sky over the entire downtown section before it began to subside under the effects of the water from a dozen hose lines. The White House and Washington's Monument stood in sharp relief in the fantastic light of the flames.

Awakened by White House attendants, President and Mrs. Harding dressed and from a window watched the firemen battle the flames in the nearby structure.

Checked in Half Hour.

When checked after about 30 minutes effort, the flames had been entirely through one section of the long superstructure, and had spread to the central portion of the roof.

Unofficial estimates, however, placed the damage at not more than \$75,000, although it is not known whether this amount took into account the possible loss from water which is believed to be heavy in the central section of the building, immediately under the central blaze. The new roof structure in other parts of the building was not burned through and for this reason it is believed the water loss will be confined to the central portion.

The blaze apparently was of the same nature as that which occurred on the roof during office hours, when hundreds of employees were in the building, on last February 8. This was extinguished without heavy damage, although it threatened to result in the burning of much valuable government property.

INTRODUCING 1922 Graduate OF ADA HIGH

John James Fleet

John James Fleet, son of Mr. and Mrs. James H. Fleet of 824 East Twelfth street, for three years a student of the Ada high school, and a prominent member of the senior class, will be granted a diploma at the end of the present school term.

Since entering the school here he has been prominently associated with the high school band, brass quartet and debating club, being a member of the team which carried the local school into the finals this year. He is planning to take up chemical engineering and will attend the University of Oklahoma after graduation here.

Velma Gatewood

Miss Velma Gatewood, the daughter of Mr. and Mrs. F. W. Gatewood, will graduate at the local high school this month. She has been a member of the local school since her junior year, but during the two years of work here has been active in class affairs.

She has not yet decided what vocation which she will take up, but expects to continue her education in Crescent, (Ark.) College. She is a member of the athletic association and girls' glee club.

More Good News Than Bad Carried In Telegrams Is Opinion of Ada Operator

Are people pessimistic? Do they expect sorrow rather than happiness? Or does everybody expect unpleasant things to pop into their lives?

The telegraph messenger boy can tell you all about it.

A reporter yesterday questioned several messenger boys as to the manner of people who receive unexpected tidings by telegraph. Usually, it was found, people are all keyed up to expect the worst. The telegraph boy knows that is his day's work he is to startle hundreds of people. Tears, he

declares, automatically swell into the eyes of over-emotional women at his mere appearance. The world, he thinks, is all ready to burst into tears at the mere sight of him. It's a sad life.

"Say!" one messenger boy said to a reporter yesterday, "some of 'em starts cryin' when I come up the steps! Sometimes their hands is shakin' so bad they can hardly do the signin'—With business guys, of course, it's different, but I dunno, I hate to take a telegram to a

COLLEGE TRACK MEN MEET HERE

East Central Is Hopeful On Eve of Quadrangular Track Contest.

Without expecting too much from the team, East Central athletic coaches today were looking forward hopefully to the first annual quadrangular track and field meet to be held on the college field tomorrow afternoon. This is the first time the local college has given uniforms in several years.

Although handicapped in a number of ways, the local squad has rounded into fair shape and will be in the fight to win Thursday, coaches say. Harry Schienberg, former college track star, has been coaching the men, assisting Coach M. Z. Thompson, athletic director, whose time has been devoted to the baseball team.

Schienberg has succeeded in giving the squad many pointers which has enabled the men to get into better condition and will put them in a place to take advantage of all opportunities. Although fairly good in all events, the college athletic men are expecting to make more of a showing in the races than elsewhere.

Martin, Neely, Riddle, Stephens, Hitchcock, Hacker, Keltner, J. Weston, Lane, Wanner, D. Weston, Merrill, Robertson, Osborne, and Walters will be the men to try for the honors of the meet tomorrow for East Central College.

Durant Teachers, winners of one dual meet this year, Oklahoma City College, strengthened by high school athletes of last year, and Shawnee Baptists, with a strong field and track team, will be here to contest the local men.

Here Is Line-up.

Stephens and Riddle will participate in the first event, the 100-yard dash; Neely, Hitchcock and Keltner will run the half mile, Martin, Neely and Riddle will enter the high hurdles; Stephens, Riddle and Neely will run in the 220-yard race, D. Weston, Hitchcock and J. Weston will run the mile; Martin, Neely and Riddle will run low hurdles; Neely and Keltner will run the 440-yard dash; J. Weston and Merrill will step the two mile; Lane and Martin will pole vault; Robertson, Hacker, Riddle and Osborne will put the shot; Lane, Wanner and Stephens will do the high jumping; Robertson, Walters, Osborne and Hacker will heave the discus, Stephens, Wanner and Martin will enter broad jumping; and Neely, Keltner, Riddle, Martin, Stephens, Hitchcock and D. Weston are candidates for the relay team.

Neely, a star man of the college team, is on the sick list this week, and it was not fully decided today whether he would be able to participate tomorrow. At any rate, he will not be in perfect condition, coaches said, which is one of the worst blows the local team has had. Riddle is also hampered by a bad heel. Other men are in good shape.

INCREASE IN PUBLIC DEBT IS ANNOUNCED

(By the Associated Press)

WASHINGTON, May 3.—An increase of \$45,584,863 in the public debt during April was announced today by the treasury. On April 30 the total debt stood at \$23,190,201,335 as compared with \$23,144,616,433 on March 31.

The increase during the month was largely due to the sale of about \$150,000,000 in treasury certificates, as compared with maturities during the month aggregating about \$50,000,000 and other debts retired to about \$50,000,000.

BANDITS WRECK BANK AND ESCAPE WITH SPOLS

(By the Associated Press)

DENVER, May 3.—After firing nine shots of nitroglycerine, which practically wrecked the frame building of the First National Bank of Lafayette, 15 miles from here, this morning, bandits escaped with approximately \$12,000 in currency and Liberty Bonds.

Ricketts Improving From Beating, Local Doctors Now Asséert

W. J. Ricketts, sawmill owner, near Steedman, charged with murder in connection with the shooting last Thursday of Bruno Mayer, ranchman, passed a restless night in the hospital ward at the county court house last night but apparently is slowly recovering from injuries on the head, inflicted by a club in the hands of Mayer.

Ricketts' wife is at his bedside and today declared her intention of nursing him back to health. Doctors said that Ricketts' injuries were serious but that the danger point was practically past.

Assistant County Attorney Hugh F. Mathis filed murder charges against Ricketts before Justice of the Peace H. J. Brown last week. He will be arraigned and a date set for his preliminary as soon as he is able to appear in court.

WOUNDED FORCES CROWD HOSPITAL

Fangtien Army Checks An Advance of Chinese On Peking Wednesday.

(By the Associated Press)

PEKING, China, May 3.—The Fangtien army under General Chang Tso-Lin has, for the moment at least, succeeded in stopping the drive of Chang Sin-Tien and stopped General Wu-Pei-Fu's movement toward Peking. The cost, however, has been heavy and Chang Sin is full of wounded, many of whom are dying for lack of medical attendants.

While Chang was successful in this action, there has been many apparent advances from various sources of general fighting along the 100 mile front from here to Tiensin, and both commanders are rushing re-inforcements in preparation for a decisive action.

General Chang's communications are threatened from the front and rear, for Wu has thrown 40,000 troops against his right center in an effort to cut the Peking-Tientsin railroad while Tu-Shieh-Kwei has notified the national consular body of his intention to cut railroad communications with Peking and Mukden, General Chang's base. This railroad is in range of naval guns at Chin-Wang-Tao.

At the east end of the battle front, General Wu is marching 20,000 troops towards Maching, one of the Weingtsin's strongholds where heavy fighting has occurred for three days.

Meanwhile word comes through Shanghai that Sun Yat Sen, president of the southern government, is preparing to send aid to Chang Tso Lin. He will strike at the psychological moment, it was said.

General Is Killed?

PEKING, May 3.—It is announced at General Tso Lin's headquarters today that General Wu-Pei-Fu, the central Chinese leader, has been killed in action. The announcement has not been otherwise confirmed. The foreign legations here are investigating.

Two Insane Persons Killed by Third at Topeka, Kan., Farm

(By the Associated Press)

TOPEKA, May 3.—Two inmates of the state house for the insane at Parsons were killed and a third seriously injured today when another inmate seized a stick and began an attack on a number standing nearby.

A telephone message to officers here of the state board of administrative aid that the attack occurred in a shed where inmates were not considered dangerous.

The weapon was the handle of a plunger used in clearing stoppage in sinks in the building, according to information here. A coroner's inquest is being held today.

MAY DISQUALIFY MARK L. BOZARTH IN BANK HEARING

Governor's Name Is Not Reached When Court Recesses at Noon.

ROBERTSON IS CALM

State Executive Remains at Capitol, Leaving Case With Lawyer.

(By the Associated Press)

OKMULGEE, Okla., May 3.—Arguments were being heard on a motion to disqualify District Judge Mark L. Bozarth in the case of John H. Rebold, former vice-president of the Guaranty State Bank here when the noon recess was taken in the arraignment proceedings against Gov. J. B. A. Robertson, Rebold, and 13 others indicted in connection with alleged irregularities in the state bank system in Okmulgee county.

At the time the recess was taken, Governor Robertson's name had not been reached on the docket and there was no indication as to what course his attorneys intended to pursue in answering charges against him of accepting a bribe.

Governor at Capitol

OKLAHOMA CITY, May 3.—Governor Robertson was at his desk today as usual. He said he had no intention of going to Okmulgee where his trial on a charge of accepting a bribe is scheduled for today. The governor said he had left his attorneys in charge of his case and would continue his functions as chairman of the state board of equalization.

OKMULGEE, May 3.—The indictment against Gov. Robertson and others was returned by a special grand jury March 22. It charged the governor, jointly with Fred Dennis, then state bank commissioner, with having received \$25,000 for allowing the Guaranty State bank of this city to operate when in a failing condition and for having deposited \$125,000 of state funds in the bank in an effort to save it.

John H. Rebold, president of the bank, and John P. Cook, vice president, were named as having given the bribe. They were indicted in separate bills.

Dennis Named Separately

Dennis was indicted separately also on a charge of allowing a defunct bank to operate.

The Guaranty State bank was purchased subsequently by the Bank of Commerce, also of this city, which later failed.

Governor Robertson came here from Oklahoma City immediately after his indictment was announced and made bond of \$5,000 for appearance at his trial, the date of which has not been set.

Dennis has not been located.

In addition to those named as parties to the alleged bribery, nine prominent business men of Okmulgee county were indicted for alleged irregularities in connection with state banking system. They are to be arraigned today with the governor, Rebold and Cook.

OKMULGEE, May 3.—Gov. J. B. A. Robertson, jointly indicted with Fred Dennis, former bank commissioner in connection with a charge of a bribe of \$25,000 being paid in connection with the bank failure here, was not present in person at the trial today. He was represented by Attorneys Lydick and Rittenhouse of Oklahoma City and has also retained local counsel.

HAYS FUNERAL TO BE CONDUCTED AT 2 P. M. THURSDAY

The funeral of J. W. Hays, an Ada city-builder who died Sunday morning, will be held Thursday afternoon at 2 o'clock from the First Methodist church, at the corner of Fourteenth and Townsend, and entombment will take place immediately afterwards at Roseale cemetery. Rev. J. H. Hall, pastor of the deceased, will officiate.

Active pall bearers will be Ed Gwin, Charles A. Thomas, R. O. Lawrence, Perry Armstrong, L. A. Ellison and W. J. Allen, all of whom were closely associated with Mr. Hays while he was a banker.

Honorary pall bearers will be E. Haynes, C. H. Rives, M. R. Chittent, H. W. Wells, S. W. Hill and A. H. Constant.

W. D. Hays, one of the two sons, was expected in this afternoon, either by way of Santa Fe or the Frisco. He left Amarillo Tuesday night for Oklahoma City. Other relatives from Mississippi were expected in during the day.

The body has been at the home of Roy Hays, the other son, on West Fifteenth street since Sunday morning.

KEEP THE GOOD WORK UP.

Property owners on South Townsend Avenue filed a petition with the city officials Tuesday afternoon, requesting the commissioners to have the avenue paved. The commissioners, it is understood, will pass a resolution in the near future and advertise for bids.

According to the petition, which was signed by more than half of the property owners, the street will be paved with concrete and will be twenty-six feet wide between the curbs.

The work is expected to start just as soon as the legal preliminaries can be handled, and should be completed before autumn. Other projects in other sections of the city are expected to be taken up by the property owners and the new commissioners, and Ada is expected to be a city of streets within a comparatively short time.

Girl Will Take Her Complaint To High Court for Damages

(By the Associated Press)

JACKSON, Miss., May 3.—Attorneys for Miss Frances Burkhead, who is suing Gov. Lee M. Russell, for \$100,000 damages, alleging seduction and breach of promise, today forwarded the clerk of the United States district court at Oxford a duplicate of the bill of complaint filed here last January, and will seek to have the case tried there.

The action resulted from Federal Judge Holmes' decision yesterday holding the case could not be tried here as Governor Russell's residence is at Oxford.

Another carload of poultry was shipped today by local produce dealers. Several carload lots of poultry have been shipped from this section during the past few weeks.

GAS RATES TRIAL IS DUE THURSDAY

Petition for Postponing of Effect of Ruling To Be Heard Tomorrow.

(By the Associated Press)

OKLAHOMA CITY, May 3.—Hearings on petitions for a writ of superceadeas, filed by the Oklahoma Natural Gas company in federal court here after the court had declined to make permanent a temporary injunction restraining the state corporation commission from enforcing rates, will be held here tomorrow. The gas company has announced it will appeal the case to the United States supreme court.

The decision of the federal court in refusing to make permanent the injunction resulted in the gas rates in a large number of cities over the state being automatically reduced to rates promulgated by the state corporation commission, prior to the increase in the city gas rates granted by the federal court when it issued a temporary injunction, following the investigation in the city gas rates. The commission gave distributing companies an increase to offset this. This order held, however, according to the commission, that the increase was automatically reduced to the former scale when the federal court returned its last decision.

It has been estimated officially that rebates as a result in the decrease in rates will be between \$500,000 and \$600,000 over the state.

DOWNTOWN BUILDING IN OMAHA RUINED BY FIRE

(By the Associated Press)

OMAHA, May 3.—Fanned by a stiff breeze, fire destroyed a three story business building in the downtown business section this morning. The loss is estimated at \$100,000.

Two firemen were slightly injured by broken glass.

Congestion of the fire prevented its spread to several adjoining houses and two of the city's largest theatres.

Amber was regarded with superstitious reverence by the Greeks.

RHEUMATISM IS GONE, AND HE GAINS WEIGHT

Topeka Man Says He Suffered for Sixteen Years—Gives Tanlac Praise for Complete Restoration To Fine Health.

"Tanlac completely restored my health after I had suffered sixteen years from stomach trouble," said J. C. Welsh, 213 Harrison St., Topeka, Kas., carpenter for the Santa Fe shops.

"My appetite was extremely poor, and although I ate little it lay in my stomach and distressed me terribly. I also had rheumatism in my arms and legs, also headaches, nervousness and was unable to sleep well.

"Friends at the shops who had been benefited by Tanlac advised me to try it and after my second bottle my improvement began. The rheumatism is now gone, my appetite is fine, I sleep well nights and have gained several pounds. I think Tanlac is simply a grand medicine."

Tanlac is sold by M. A. Walts and all leading druggists.—Adv.

DIRECTORS OF FAIRS ELECTED

First Steps Are Taken In Organizing Township and County Fairs.

The first step towards pulling off the township and county fairs this fall has been taken by the citizens of the various townships by electing their directors. These directors will meet at Chamber of Commerce rooms at Ada Tuesday, May 9, at which time they will elect an executive committee composed of a member from each township and a president and secretary. Last year E. W. Cotton of Maxwell was president and Prof. B. A. Pratt of Ada secretary. The fairs were all very creditable and satisfactory.

Following are the directors elected by the various townships for this year:

Midland—Carl Solomon and A. H. White.
Maxwell—E. W. Cotton and H. L. Norman.
Fitzhugh—R. S. Harris and Robert I. Pollock.
Stonewall—S. B. Mayfield and J. W. Denton.
Allen—N. S. Olivo and J. W. Davis.
Francis—L. E. Hutchinson and J. E. Roberts.

Waterloo, Ia., Paper Buys Central Place To Publish Courier

(By the Associated Press)

WATERLOO, Ia., May 3.—Purchase by W. H. Hartman company, publisher of Waterloo Evening Courier, of a modern fire-proof building on an important downtown corner of this city, provides the newspaper with a home adequate to accommodate the demands which its growth has made.

The building is 80 by 135, two stories and basement, with light on all four sides. It is situated opposite the main postoffice, is in a block passed by interurban and electric lines and holds a strategic position with regard to anticipated development of the city.

The Courier is one of the oldest papers in the midwest. It has been successful from the start, in 1858, when it was founded as a weekly by William H. Hartman. The daily issue was begun in 1890. The newspaper has been a member of the Associated Press for nearly a quarter of a century. In 1914 it acquired the Waterloo Daily Reporter, its competitor in the afternoon field, consolidated the two.

The Courier's plant is one of the best equipped to be found in a city the size of Waterloo and further improvements are contemplated, in view of the enlarged quarters. Waterloo, according to the 1920 census, has a population of 36,000 and is situated in the heart of the corn belt, with a trading territory of 200,000.

John C. Hartman, son of the founder, is president of the Hartman company and editor of the newspaper. He is entering his forty-fourth year with the paper. Arthur W. Peterson acquired an interest in the property in 1908, since which time he has been secretary-treasurer and general manager.

SOCIETY

Entertain at Breakfast.

The Pi Kappa Sigma Sorority entertained with an elaborate breakfast at the Harris hotel this morning at 7:30 in honor of visiting princesses of the May festival. Forty-eight were present. Mrs. A. Linscheid was the guest of honor. Faculty representatives were Misses McClure, Watson, Jones, Kittell and Montgomery. Alumnae representatives were Mrs. Wilbur Lee, Miss Lois Heard and Miss Earle Brunner.

The color scheme of gold and turquoise, the colors of the sorority, was carried out in full. The center table contained a May pole, wrapped in the colors. On every table the same colors could be seen, together with a display of pink and white cut flowers.

Members of Sigma Sigma Sigma sorority who were hostesses to some of the visiting princesses were present, as was the May Queen, Miss Anna Louise Shaw. These entered into the spirit of the occasion, and the jolly crowd of young ladies for almost two hours forgot the cares of life and enjoyed themselves.

Princesses Entertained.

Tuesday evening at her home on Francis avenue Mrs. A. Linscheid entertained with a "Spring Party" honoring members of Sigma Sigma Sorority of East Central Teachers college and visiting princesses who were in the city for the May Day festival. Guests were met at the door by Miss Flossie Summers, and directed upstairs by Miss Williams.

The rooms were beautifully decorated carrying out the sorority colors of purple and white. The Greek letters "Sigma Sigma Sigma" made of purple violets and white smilax decorated the mirrors, and the grape punch, served by Miss Reed Loving Punt, was taken from a large block of ice in which was frozen a purple Sigma Smilax and pansies decorated the bowl. The table was decorated with purple and white sweet peas.

Throughout the evening guessing games of birds and flowers were played, carrying out the idea of spring time. After several songs were rendered by local talent an ice course was served to the following:

Anna Louise Shaw, May Queen of E. C. S. T. C.; Dot Pyatt, Paula Valley, Miss Franklin, Davis; Miss Ellis, Shawnee; Miss Loneta Springer, Holdenville; Miss Henson, Francis; Alice Gowing, Ada, princesses.

Frances Case, Roberta Allen, Katherine Griffith, Ruth Boggan, Sammie Bentley, Elizabeth Clayton, Nellie Kearns, Callie Britt, Clarine Roach, Grace Harrison, Ruth Mount, Donna Belle Lee, Thelma Tidwell, Selma Catron, Bess Roberts, Verli Cobb, Hazel Manse, May Burdick, Luceta Burris, Vivian Burris, Sybil Harwell, Ora Ewing, Magdalen Yeargain, Flossie Summers, Flora Summers, Lillie Clayton, Violet Knight, Miss Reed Loving Watt, Mrs. R. S. Carter, sponsor of Sigma Sigma Sigma, Miss Knight, Mrs. Mackin, Miss Keller, and Miss Williams, honorary members of the sorority.

Grace McKeel, Melna Bullock, Chloe Smith, Thelma Roberts, Louise Barney and Lois Emerick. Messrs. Mayo McKeown, John McKeel, Paul Wauer, Hubert Priest, Langford Shaw, Marshal Harris, Robert Culner, Truman Harrison, Ott Harrison, Lowell Turner, Oscar Parker, Clifton Parker, Earle Fentem, Longley Fentem, Joe Emerick, Sam Little, Earl McKeedree, Jim Statler, Arthur Crawford, Ralph Morgan, Graden Rogers, Jop Rogers, Hardy Roach, Guy Meaders, Charles Cunniff, Clyde Newton, Oliver Johns, Mr. Paxton, Mr. Harold and Lloyd Chism.

In District Court.

Two divorce cases were filed yesterday in Pontotoc county district court while Dan Cupid added no marriages to the other side of the column.

New actions filed are S. G. Maxwell vs. M. C. Maxwell, divorce; N. A. Williamson vs. D. C. Williamson, divorce; First National Bank of Vanoss, trustee, vs. Consolidated school district No. 2, judgment; J. V. Guest vs. B. F. Jones et al, recovery of money on contract and enforcement of lien; and Reserve Loan Life Insurance company vs. B. D. Nichols et al, foreclosure.

HURT ALL OVER

Texas Lady Couldn't Sit, Stand or Lie With Any Comfort. Says "Cardui Did World of Good."

Bartlett, Texas.—Mrs. Nannie Messer, of Route 3, this place, states: "About three years ago I was in a very critical condition. I had been suffering for some time. To tell how I hurt would be impossible. 'I just hurt all over. I couldn't sit, stand or lay with any comfort, my back, sides and head all gave me a great deal of trouble. 'I was especially bothered with a light swimming in my head. My people were very uneasy about me and sent me to my relatives to see if a change would do me any good. 'I stopped at a sister-in-law's and she being a great believer in Cardui, asked me why I didn't use it. I decided to try it. 'I had only taken a few doses when I felt it would do me good. This gave hopes and I used it right along and it did me just a world of good, since which time I have never ceased to praise Cardui."

Cardui is for simple female complaints and womanly pains and has been found to benefit in thousands of such cases when not due to malformation or that do not require surgical treatment. Try it. NC-136a

KIDDIES WANT TO SEE FAMOUS BELL

School Children in Seven Midwest States Will Present Petition.

(By the Associated Press)
CHICAGO, May 3.—A campaign to obtain the signature of every school pupil in seven midwestern states to a petition requesting the city council of Philadelphia to permit the Liberty Bell to be displayed at the Chicago Pageant of Progress July 29 to August 16, is in progress. The committee, in charge, which includes officials of the Pageant of Progress, an education and industrial exhibit, and the superintendents of public instruction of Illinois, Wisconsin, Michigan, Indiana, Iowa, Missouri and Kentucky, expects to obtain between 3,000,000 and 4,000,000 signatures to the petition, which in one roll, will be taken to Philadelphia on a special train accompanied by a delegation of school children from each state represented in the campaign.

Is Central Place.

The petition reads as follows: "The undersigned school children of the middle west, respectfully petition the honorable, the mayor and city council of Philadelphia to permit the Liberty Bell to be taken to Chicago and exhibited under guard at the Pageant of Progress Exposition to be held in Chicago this year, from July 29th to August 16th inclusive, and in this way promulgate anew the ringing Declaration of Independence adopted by the fathers of our country, and also invite attention to the forthcoming celebration in Philadelphia in 1926, of the 150th anniversary of the signing of the Declaration of Independence, which was originally heralded to the world from the bronze throat of the Liberty Bell."

"In considering our petition, we urge the keepers of the Liberty Bell to weigh well the fact that Chicago, in addition to having a population of three million people, is the railway center of the nation; and forty million America citizens live within one night's ride from Chicago; and that the exhibition of the Bell in Chicago would make it convenient for more people to see it than if it were exhibited at any other single point in the United States."

Give Patriotic Plays.

It is the announced plan to circulate the petition in every school in the seven states. Patriotic plays, arranged by Francis G. Blair, superintendent of public instruction of Illinois, and from the students participating will be selected by state delegations to accompany the petition to Philadelphia.

In addition to the petitions, the committee in charge is sending to the schools, photographic reproductions of the bell and the Declaration of Independence, along with patriotic scenes from American history and paper mache reproductions of the bell.

Dr. John Dill Robertson, president of the Pageant of Progress is honorary chairman of the Liberty Bell committee; J. Lewis Coath, member of the Chicago Board of Education, chairman; and P. A. Mortenson, superintendent of Chicago schools, secretary. The executive committee is composed of the following state superintendents of public instruction:

Francis G. Blair, Illinois; John Callahan, Wisconsin; Thomas E. Johnson, Michigan; Benjamin J. Burris, Indiana; P. E. McClenahan, Iowa; S. A. Baker, Missouri and George Colvin, Kentucky.

Archbishop Munderlin of Chicago, is forming a committee throughout the various states to take up the work with the parochial schools.

Students Will Try Primitive Life of Wild Indian Tribe

TULSA, Okla., May 3.—Two days of Indian life during which the white man's clothing and names will be discarded for Indian garments and appellations are in store for 50 members of the Freshman Hi-Y club on May 11 and 12 when they will have an Indian "potlatch" on shell creek 12 miles west of this city.

The camp will be in charge of Robert Russell, Y. M. C. A. director of Hi-Y activities in Tulsa. Indian blankets, moccasins and other articles of wearing apparel used by the Red man are being procured by the boys. At camp they will decorate themselves with war paint and Indian headgear for the war and tribal dances which will be staged.

There will be four "tribes" at the camp and each boy will have an Indian name. A treasure-hunt, swimming and long tramps are features of the program.

A 60-mile trip to Spavinaw creek followed by three days of camping is planned by members of the Sophomore, junior and senior Hi-Y classes for the end of this week. The camp will be pitched on the banks of the creek where swimming, fishing and boating will be near at hand. Athletic contests will be held at the camp.

AGED MERCHANT SEEKS RELEASE OF CHILD WIFE

(By the Associated Press)
OKLAHOMA CITY, May 2.—A new angle in the fight being waged by W. T. Lane, an aged shoe merchant of Miami, to secure the freedom of his 18-year-old wife came to light today when it was learned that a petition bearing several score names had been sent to Governor Robertson asking that he pardon the girl from the state penitentiary. Mrs. Lane is serving a two-year sentence for grand larceny.

The case was one of the most interesting in Oklahoma court annals of recent years. At the time of her arrest, Mrs. Lane had not been married. She was then Goldie Hadley, Lane's sweetheart. One night she went to Lane's place of business and, finding him absent, took several dollars from his cash drawer, Lane having told her, according to his statement, to take money when she needed it.

The girl went to Tulsa and lost the money, which she said she intended to repay on her return. County officers learned of the transaction and arrested her. This was done according to Lane, over his protest.

Then, while the girl was in jail, Lane married her and gave bond for her release. She was tried and convicted of grand larceny, despite the objection of A. W. Turner, her attorney, that the testimony of her husband could not be used against her. Sentence was passed and an appeal taken to the criminal court of appeals.

In sentencing the girl, the judge declared that Lane, through his marriage, had "tried to make a monkey of the court." A large crowd packed the courtroom when the girl, slender and golden-haired, arose and stood weeping before the judge as he ordered her to prison for two years.

She was committed to the penitentiary September 24, 1921.

In a letter to the governor which accompanied the petition for her pardon, Lane declared that he was nearing the end of life and wanted the girl with him during his last days. The petition was signed by residents of Ottawa county.

Louis Paulin, pardon and parole attorney, said no action had been taken on the petition because the case is still before the court of appeals and is therefore not in condition to be acted on by the governor.

NEW POLITICAL PARTY TO COME ON SCENE MAY 4

TOPEKA, May 2.—The birth of a new political party in Kansas is scheduled for May 4. A state convention called by the Concordia Booster club, a new political organization of Cloud county, in north-central Kansas, has been called for that day. It will convene here in Labor Hall, at union labor headquarters.

According to D. R. Coughlin, secretary of the Booster Club, delegates are expected from every county in Kansas. The new party hopes in particular to gain the support of the members of the numerous taxpayers leagues which have sprung up in nearly every county in the state, according to Mr. Coughlin. At a state convention of the county representatives of the taxpayers organizations in Topeka, the proposal to organize a new political party was defeated. The Booster club's delegates and others put up a fight for the new party idea. Defeated at that time they have called a new convention with a new party as the one goal in sight.

"Don't know what we will call it," said Secretary Coughlin one of the signers of the party call. "The movement is a good deal like the Populist movement in Kansas thirty years ago. We are not lining up with any farm or labor union organizations, but hope to get support from organizations of all kinds. Names that have been suggested are Progressive, Commonwealth, People's and American. While the main theme is for a reduction in taxes, I hope to see a number of things written into the platform, such as advocating stabilization of farm product prices; a co-operative banking law, a constitutional amendment for recall of public officials and repeal of the industrial court law."

Mr. Coughlin says all the promoters of the movement are farmers.

PRESIDENT NOT INFLUENCED BY CIVIL LIBERTIES UNION

WASHINGTON, May 2.—The gauntlet was thrown down today by the White House to leaders of the children's crusade to obtain the release of war law violators from prison, the declaration being made that President Harding would in no wise be influenced by the picketing program of the American Civil Liberties union, organizers of the crusade.

he president was said to regard the delegation of children and women as an organization to gain publicity, but that he felt great sympathy for the children and would be glad to welcome them to the White House under ordinary circumstances.

Weevils Found in Flowers. Not Boll. Weevil Expert Says

A number of farmers have brought in a species of weevil, found working on meadow flowers and bearing a resemblance to the boll weevil. Agent Hill sent some of these to Prof. Sanborn, entomologist of the A. & M. College. He states that this is what is known as the indigo weevil and therefore not to be feared by the cotton growers.

STATE'S AIR CADETS TO COLLECT BACK SALARY

Unless the recent decision of the Court of Claims is appealed and reversed, many former air cadets in Oklahoma, who originally received \$100 a month and were later reduced to \$33 are now entitled to collect back pay to bring pay up to \$100 a month for the period spent as flying cadets. Additional special flight service pay may also be collected. This was originally 50 percent of regular pay of \$100 which was cut down, and they are now entitled to additional flight pay to bring the total up to \$50 a month.

While nothing will be paid until appeal is made or abandoned, claims should now be filed and sent direct to the Finance Office, War Department, Washington, D. C. Full details as to name, address, organization, dates and places of service should accompany typewritten claims signed by the applicant. A lawyer is unnecessary.

ORGANIZED LABOR IS BACK OF VET'S BONDS

Where organized labor stands regarding the payment of a bonus has been expressed by Samuel Gompers, president of the American Federation of Labor, in an address before the Connecticut state federation at New Haven. President Gompers strongly favors the American Legion's adjusted compensation measure, and said:

"The American Federation of Labor believes that the men who risked their lives, gave up their jobs and are now out of work should be compensated. Business would be revived and an enormous amount of money put into circulation, while the public at large would be affected financially very little if Congress passed a just taxation act."

Collinsville has decided to turn

her tourist park into a memorial park to be dedicated on Memorial Day to be used as a common athletic field. The American Legion is in charge of arrangements and erecting a grand stand and fixing up a baseball diamond. Individuals business men and organizations are each erecting some "additions" such as a community kitchen, well house, and other features. The Legion, the Auxiliary, Chamber of Commerce, Boy Scouts, Park Board and business firms all work together.

YANKEES TEACH FRENCH AMERICAN BALL STYLE

Four teams, two made up of Yankee war veterans in Paris and two selected from French athletic clubs, will make up a baseball league which the American Legion in Paris is forming. The Legionnaires also will instruct in the proper throwing of pop bottles.

Games will be played, starting May 20, on the Bagatelle grounds in the Bois de Boulogne. "Keel ze 'ob-bair" will be a new brand of French battle cry.

CHECOTAH VETS CONDUCT SALE TO SUPPLY DUES

Roy F. Arnall Post No. 12 of Checotah, finding a lot of unemployed buddies not able to pay Legion dues, had a Tag Day and advertised that proceeds from sale of tags would help some ex-service men become a better citizen by joining the Legion. Over \$50 was raised from citizens eager to contribute, and loaned to the men who then joined the Legion, each one giving their note payable on demand.

The post also gave a home-talent carnival recently, which was a distinct success.

S. S. S. Fills Out Hollow Cheeks, Thin Limbs!

Men and women—whether you will ever build yourself up to your normal, just-right weight depends on the number of blood-cells in your blood. That's all there is to it. It's a scientific fact. If your blood-cell factory isn't working right, you will be run-down, thin, your blood will be in disorder, and perhaps your face will be broken out with pimples, blackheads and eruptions. S. S. S. keeps your blood-cell factory working full time. It helps build new blood-cells. That's why S. S. S. builds up thin, run-down people, it puts firm flesh on your bones, it rounds out your face, arms, neck, limbs, the whole body. It puts the "pink" in your cheeks. It takes the hollowness from the eyes, and it fools Father Time by smoothing out wrinkles in men and women by "plumping" them up. S. S. S. is a remarkable blood-purifier. While you are getting plump, your skin eruptions, pimples, blackheads, acne, rheumatism, rash, tetter, blotches are being removed. The medicinal ingredients of S. S. S. are guaranteed purely vegetable. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

NEW RAIL TARIFF IS SET ASIDE BY U. S. COMMISSION

(By the Associated Press)

WASHINGTON, May 3.—New railroad tariff which would have effected changes in freight rates on low grade petroleum products, moving from the mid-continent field in Missouri, Kansas, Oklahoma and Arkansas to points of consumption in states lying west of the Mississippi and north of the Missouri, were set aside by the interstate commerce commission today. The commission acted upon the complaint of the state of Iowa and Western Petroleum Refining Association.

The railroads concerned filed a new tariff which would have increased freight charges on road oil, asphaltum, and other materials largely used on highways, by classifying them as a higher grade than formerly. The commission recently suspended the schedule and today ordered them cancelled. All railroads, however, are to file new schedules setting forth rates on refinery and low grade products, giving fuller details than they did in the cancelled schedules.

Fire Destroys Hotel With \$75,000 Damage At Chickasha Today

(By the Associated Press)

CHICKASHA, May 3.—Fire destroyed the main building of the new Chickasha hotel today entailing a loss estimated at \$75,000. Firemen fought the blaze several hours before bringing it under control. The four story annex was but slightly damaged. All rooms in the hotel were occupied when the fire was discovered, the management said, but all occupants were warned in ample time to make good their escape.

In case a sufficient number can be raised it will be possible to delay the train at Henryetta so the local folk can return to Ada tonight, Mr. Fentem said.

LOCAL MAN HOLDS RECORD OF SIXTY YEARS AS MASON

J. H. Grant of Ada holds the record for length of membership in the Masonic fraternity to date, so far as the News is able to determine. Mr. Grant became a Mason August 2, 1862, which makes his membership almost 60 years. He received his degrees at Ward Lodge, Pikua, Ohio.

Mr. Grant is 88 years of age and is active both physically and mentally. He is a veteran of the Union army in the Civil war and saw active service against Lee's army in Virginia. Masonically speaking the other two claimants to the longest membership will have to take a back seat.

Judge H. A. Kroeger, one of the leading attorneys of Oklahoma City was in the city today on business.

AGREEMENT ON NAVY PERSONNEL IS REACHED

(By the Associated Press)

WASHINGTON, May 2.—An agreement for a navy enlisted personnel for next year of \$6,000 men, the number voted by the house, was said to have been reached unanimously in an executive meeting today of the senate appropriations subcommittee considering the house measure.

As the result of Prince Hirohito's recent visit to Europe publication of photographs of the imperial family in newspapers and magazines will be permitted.

MEN LEARN WAYS OF LIPSTICK IN MAKING BEAUTY

When buying "eyebrow pencils, rouge, lip-sticks, powder, brilliantine, cold cream and toilet water, men evidence a little self-consciousness, a touch of embarrassment. It is only natural. It takes a good man to get away with that; But facts prove that more men are purchasing such articles than ever before.

They invariably preface their requests with such remarks as "My wife—" or, if they happen to know the clerk—"Mary liked that Dearly Die"—It is strange that men never even buy toilet water for themselves. A clerk in a local drug store remarked that men are becoming connoisseurs of rouge.

With a natural instinct to protect his sex against the slurs of the weaker one, when this fact became known, the reporter easily devised a hundred excuses for this unnatural state of affairs. A few of them are: That men have developed more moral courage. A weak, spineless creature would never have the nerve to purchase Dearly Die even if it were for his own use. He wouldn't be able to meet the eyes of the clerk. He couldn't keep from blushing.

Modern novels preach unconventionality. What is more unconventional than a perfectly healthy brick-layer buying cold cream? The desire to be a little different may prompt men to walk into drug stores and sing out in clear, audible tones:

"Six lipsticks, please. My wife—" And then of course, the only way for a stranger to get acquainted with a pretty clerk is to engage her in conversation. The way to start the conversation is to purchase an article in which the clerk is interested, of which she can talk intelligently. This, then, is the most logical of them all.

But it is admitted that since complexions became subject to the will of man—and woman—some men do look healthier.

But if men use rouge it is not the rouge they buy at the drug stores, that is always for their wives.

Deaver To Shoulder Water Troubles for Users of the City

Collection of city water rents will hereafter be in charge of the commissioner of accounting and finance instead of the street commissioner, Walter Smith, of the latter department, announced this afternoon.

This change was made by agreement of city officials, it is understood.

All water and meter troubles should be communicated to J. C. Deaver, finance commissioner, who will also collect water bills and have charge of all financial affairs connected with the water department, Smith said.

Farmers' Column

By Byron Norrell

Louis George, agent of the Ada express office, reports that around 50 cans of cream per week are being shipped from Ada. He states that about one-third of these are 10-gallon capacity, the rest being 5's. It is estimated by a man familiar with the cream business that at present prices this brings around \$300 per week to the producers, or \$50 per day brought in from this source. A year ago the express office here handled almost nothing in this line. Hence it will be seen that rapid strides have been made. One dealer states that his firm has sold more separators during the past year than for four or five years combined prior to this time. This business has perhaps brought no one any large amount of money, but it has gone far to tide many families over the boll weevil crisis. In time this industry will become a very important one in Pontotoc county, if the present rate is kept up.

The dealers have also had a brisk trade in incubators. In fact, they have not been able to supply the demand. This indicates that the farmers are going strong on poultry as a source of income.

In view of the heavy shipments of chickens last fall it was predicted that there would be a shortage of chickens in the county this year, but the trade is still brisk and more in sight than ever before.

Then with hogs being shipped out almost daily from some point in the county it will be seen that these three items have been a big factor in the life of the community for the past few months.

The farmers and everyone else, for that matter, will feel greatly relieved by Prof. Sanborn's statement that the weevils that have been working on various meadow flowers is the indigo weevil and not the boll weevil. These indigo weevils are appearing in great numbers and the prospect would indeed be alarming had they proved to be the much feared pest.

Tomato growing time is here and it may not be amiss to call attention to the advantages of pruning and staking the plants. I spent part of a season in the tomato growing country around Jacksonville, Texas, a number of years ago. They pull off suckers as fast as they appear on the plant, leaving only the main stalk which they tie carefully to a stake. The tomatoes growing on this main stalk may not be as numerous as when permitted to branch but they are of large size. These suckers appear at the base of almost every leaf and grow rapidly.

most every leaf and grow rapidly. When quantity is preferred to size and one is not particular about early fruit suckering is not so important.

Think of shipping a car of chickens from Pontotoc county to San Francisco. That is setting a new record and shows the unlimited possibilities of poultry raising here. This car means the turning loose of between \$3,000 and \$4,000 among the farmers and with a car of poultry or eggs leaving here at frequent intervals it proves that the lowly hen is doing her part to restore prosperity.

Terraced Fields Hold.
STILLWATER, Okla.—Thousands of Oklahoma farmers who failed to heed the warning of farm demonstration agents to terrace their rolling hillside fields during the winter and early spring have watched those fields wash and uproot newly planted crops during the recent heavy rains while the fields of neighbors, well-terraced, withstood the floods waters and held both soil and sprouting crops intact. Furthermore, those terraced fields which held the soil also held moisture which will be of inestimable benefit to growing crops during the drier months that will follow the rains. Corn on terraced fields, according to estimates of county agents, will be two or three weeks ahead of that same crop on unterraced lands which have washed and forced a replanting.

Hens Pay Tulsa Woman.
TULSA, Okla.—One hundred and three White Leghorn hens owned by Mrs. E. H. Thomas, living two miles north of Tulsa, laid 1,757 eggs during the month of March, according to a record Mrs. Thomas has supplied J. S. Malone, county agent. Profits on those 103 hens for March totaled \$30.44.

The Illusions.
For years we have been searching high and low for that hero of the movies who appears always at the right moment and hoists the villain. The other day we found him selling collars at a shirt place.

We have wanted to meet the villain face to face—that black scoundrel of the plains, sinful, profane, death-defying. We found him the other day, carrying out dishes in a restaurant.

And the lovely girl, the creature of emotions and eyelashes, the dream of our summers, who is always sitting easily in a magnificent couch chair, taking tea from an obsequious butler. We found her, too. She was selling tickets through the window as we came out from the show.—Richmond Times-Dispatch.

Single-Six Seven Passenger Touring

THERE can be neither question nor quibble concerning the value of this new Packard Single-Six.

It is value outstanding and incontrovertible, which will set you seeking in vain for something comparable.

It is value expressed in a richness and dignity of embellishment surpassing the utmost you have

always counted upon in Packard.

It is value exemplified in a brilliant virility of performance which can only be described as Packard functioning at its finest.

It is value so emphatic and unmistakable as to inspire almost instant eagerness for ownership among those who appreciate cars of the highest class.

The price of the new Single-Six five passenger touring is \$2485 at Detroit.
The new price of the Twin-Six touring is \$3850 at Detroit

COLLEGIANS TO PRESENT COMEDY "ONLY THE TRUTH"

Final dress rehearsal was held today for the annual senior class play, to be presented tonight at the McSwain Theatre by students of the senior class of East Central Teachers College. The title of the play will be "Nothing But the Truth." It is a three-act comedy.

Included in the cast of characters will be Erle Fentem as Robert Bennett; Albert Hacker as E. M. Ralston; Meaders Jones as Dick Donnelly; James Allright as Clarence Van Dusen; Moss Wimbish as Bishop Dorn; Bess Roberts as Gwendolyn Ralston; Donna Belle Lee as Mrs. E. M. Ralston; Pauline Knotts as Ethel Clark; Grace Harrison as Mabel Jackson; Reba Martin as Sabel Jackson and Fern Martin as Martha.

The scene of the first act is in the interior of a broker's office in one of the principal uptown New York hotels. The scene changes to the parlor in the summer home of E. M. Ralston, Long Island, New York, in the second act, and climaxes at the same place in the closing act.

The play will be held in connection with the regular show bill, which will start shortly after 7 o'clock. The curtain for the play will rise as soon as the picture bill is completed.

DeCamp Interests Given Option on Glass Factory

An agreement has been reached between the stockholders of the American Glass Casket Co. and the J. W. DeCamp interests whereby the latter are granted an option on the Ada plant dependent on compliance with certain specified conditions. Until these are met there will be no change in the business. In case the deal goes through considerable activity will begin at the Ada plant and the manufacture of caskets on a commercial scale may be expected before much longer.

COURT FREES MEN WHO KEPT SILENT

Three Texans Who Refused To Answer Klan Query Are Released.

AUSTIN, Tex., May 3.—The court of criminal appeals today held that H. D. Miller, Wallace Martin and Jim Jennings, who were adjudged in contempt of the Wichita county district court for refusal to answer grand jury questions regarding the Ku Klux Klan, had a right not to answer and ordered them discharged.

The three realtors were ordered fined \$100 each and remanded to jail until they should answer the questions.

Have you ever been a member of the Ku Klux Klan?

Do you know any one who is a member of the Ku Klux Klan?

The court in ordering the men discharged held that a "grand jury has no right to ask questions of witnesses unless there is an investigation of some criminal matter to which such questions are necessary to gain the needed information."

It further held that questions asked these men were pertinent and did not have any connection with investigations of matters of a criminal nature.

Judge Day Welcomes Probing Into Facts of Killing Officer

OKLAHOMA CITY, May 3.—Judge Jean Day, who was exonerated by the coroner's jury of the killing of Col. Beck April 4, declared today he would welcome further examination. His remarks were brought about by the report from Washington to the effect that an army investigation tended to show that all the facts had not been brought out at the inquest. It was reported that the data submitted to Washington was incomplete and had been referred back to the commandant of Post Field for further action.

BEVERIDGE LEADS IN INDIANA FOR SENATE CONTEST

INDIANAPOLIS, May 3.—When returns from 2,030 of the 3,382 precincts in the state had been unofficially tabulated, former Senator Harry Beveridge was leading Senator Harry New for the republican nomination by 12,952 votes. Beveridge's total was 111,453 and New's was 98,501.

Former Governor Samuel H. Ralston was leading his opponents by a ratio of two to one in the democratic race for senate nomination when 1,114 of the 3,382 precincts in the state had been unofficially tabulated at noon today. Ralston's vote was 64,498 and his closest opponent's was 10,530.

INDIANAPOLIS, Ind., May 3.—With almost half the precincts in the state reported, Albert J. Beveridge was leading today in the republican senatorial nomination in Indiana by 8,588 votes. Unofficial tabulations of votes from 1,525 of the state's 3,382 precincts gave Beveridge 81,509 and Senator New 72,911.

In the Democratic senatorial contest Samuel M. Ralston, former governor, had received 40,489 votes in 710 precincts. Dr. Jesse Sanders was second with 6,941 votes with three other candidates trailing.

Daugherty Fired All Honest Helpers Says Senator in Attacks

WASHINGTON, May 3.—Renewing his attack on Attorney General Daugherty in the senate today, Senator Caraway of Arkansas, declared that Daugherty had fired all honest investigators in his department and put back in the positions men who held his friendship.

Referring to Mr. Daugherty's statement yesterday that cabinet officers should have the privileges of the floor to answer charges, he stated that he waived all immunity, personal and otherwise and would meet Mr. Daugherty anywhere and at any time.

Senator Caraway read from a letter from a man who he said formerly held a position in the department in which it was stated that Dr. Fowler had been restored as prison physician at Atlanta and that during the time he was under charges Mr. Daugherty was his attorney.
